

The SHEPHERD'S VOICE

September 2019

I have been crucified with Christ; and it is no longer I who live, but it is Christ who lives in me. (Galatians 2:19-20)

Didn't this summer go by too fast? The gnats were so bad at first, then June was a little chilly, and then when the summer heat arrived in July, I tried to catch up with outdoor activities. Then boom, it's already mid-August. Some schools have already started, and children and teachers are adjusting to school day routines. I had no idea what happened to my summer. I feel like I just kept going and going and going day after day. Do you feel the same way, too?

When I am busy and saturated with tasks and chores, I become super self-centered. Honestly, I cannot think about others nor God, which is bad. I try to do devotions, but my mind is scattered around a million things which I believe need to be done. In Japanese, the word "busy" literally means "dead heart". I can easily be consumed by tasks and responsibilities.

During such crazy chaotic summer days, little Christ's showed up. You know them, don't you? Little Christ's are messengers from God who share compassion like Jesus did. They are sometimes called "God's angels" but I like to call them little Christ's because they bring joy and peace to my murky days. One day a little Christ appeared when the Men's Group was doing a service project for the church. A little Christ packed two dinner plates and delivered them to one of our members. Another day a little Christ called me. She said that one of our members was in the hospital and needed prayers. The more I felt stressed out, the more I encountered little Christ's. In fact, they were very active this summer. For instance, they baked or bought dozens of cookies for VBS. A bunch of little Christ's painted the front entrance of the church, changed light bulbs, cleaned the sink, made visits and phone calls, sang hymns at the nursing home, cut cloth squares, and made quilts. And little Christ's enjoyed feasts together.

Who are little Christ's? We are little Christ's. Martin Luther taught that all baptized Christians are little Christ's to our neighbors and also to one another because Christ, who is living in us since our baptisms, shows up and moves us to be God's hands, feet, eyes, ears, voices, smiles, and hearts to the hurting world which we are living in. Christ in us is living and working through us to share God's love and care to all. I thank you little Christ's because you help me to trust God who is in control in the midst of chaos. Thanks be to God! Pr. Miho

RIDING BACK HOME

When we schedule your pick-up, we will also ask for you to schedule your return ride home. In order to reduce that waiting time, we encourage our riders to schedule the time for their rides home, even if it is just an educated guess.

To make an educated guess, if you think you will only need a half-hour at your doctor or to do a little shopping, we suggest you schedule the ride home for 45 minutes to an hour after the time we pick you up.
